

# RBdigital Higher Education Unlimited Audiobooks

The largest collection of unlimited-access curriculum audiobooks for students and professors

Audiobooks have seen double-digit growth among student populations year after year.

RBdigital Unlimited Audiobooks offers higher education libraries affordable, immediate, and no-holds access to over 15,000 premium curriculum-based audiobooks.

RBdigital is the only company that can deliver the lowest average cost-per-circ for institutional libraries—without holds or waits.

The higher ed collection includes thousands of premium curriculum-based titles perfect for supplementing classroom instruction and research that will serve many of your departments, from Art, Anthropology, and Psychology to Business, Science, and Engineering.

- **No Holds Needed:** Get immediate, unlimited access to thousands of always-available titles.
- **Exclusive Content:** Many titles are only available on RBdigital.
- **Fixed Budget:** No matter how many students check out your audiobooks, your budget never goes up.
- **New Titles Added at No Cost:** Thousands of new audiobooks are added annually—at no additional cost.
- **Something for Everyone:** Enjoy our collection of curriculum-based titles covering primary areas of study.
